Where To Stay

THE IVY AT VERITY

111d Queen Street East(00 1 416 368 6006 ext. 300)

In downtown Toronto, this micro-hotel is part of a swanky women's club, but male guests are welcome. With only four guest rooms, this restored 1850s sweet factory has the feel of a romantic French pied-a-terre. The rooms and suites are individually furnished with choice pieces from the owners' private collection.
